

1st Nanomedicine Meeting
Wednesday 18th December 2024
Salle de conference Raymond Kern
CiNaM, Marseille

8:55 a.m Welcome

Pierre Muller
CiNaM Director

9:00-9:30 a.m

Virgile VIASNOFF (PIV)
'Controlling and quantifying organoid development'

9:30-10:00 a.m

Palma ROCCHI (ERL Inserm, IMMF)
'mRNA targeting nanomedicine for precision medicine'

10:00-10:30 a.m

Carole FAUQUET, Didier TONNEAU (PIV)
'Microdosimetry for radiation therapy'

10:30-11:00 a.m Coffee Break

11:00-11:30 a.m

Gabriel CANARD (IMMF)
'Design and selected applications of synthetic and bio-inspired chromophores and/or macrocycles'

11:30-12:00 a.m

Victor MALGRAS (NMSP)

'Nanoimpression fonctionnelle pour applications avancées'

12:00-12:30 a.m

Sebastien WANG (Silon Therapeutics)

'Microfluidics for the formulation of micelles and nanoparticles used in nanomedicine'

12:30-13.00 pm

Stéphane VEESLER (SSP)

'Phénomènes localisés et microfluidique pour le biomédical'

13.00 pm Lunch

14.00 pm End of the meeting
